Pavlov University

ONLINE PREPARATORY PROGRAMS

Are you in your final year of school and considering studying in Russia?

This is an excellent opportunity to get to know our university's teaching staff and determine in advance whether studying in Russian is the right fit for you

This program is for those who:

- Want to prepare for admission to a medical university.
- Need to learn the basics of the Russian language for living in Russia.
- Wish to develop conversational skills.
- Want to improve their knowledge of Biology and Chemistry.

Upon successful completion, you will receive a certificate and will be able to:

- Apply for EMD Medicine program.
- Continue your studies at the on-campus Preparatory Department.
- Apply for the Dentistry or General Medicine programs taught in Russian (provided you have a basic knowledge of Russian prior to the course).

Program Features:

- Small group classes of 10–12 students.
- Classes are held 2–4 times per week.
- Subjects:
  Russian Language,
  Chemistry and Biology (in Russian or in English).
- All classes are taught by faculty members of our University.
